---

Names of persons who have a First Amendment right to participate in political activity anonymously, and to the best of Kessler's knowledge are not otherwise known to be involved in UTR2 planning, have been redacted together with any images that would identify them. Any redacted text consisted almost entirely of such names.

Mr. Kolenich:

Could you tell us what information was redacted from the Facebook Message logs and on what basis were these redactions made?

Regards,

Dan Cohen
